Good morning,

I would like to take a moment of your time and encourage you to participate in the Bar Exam Survey as explained in the two articles that have appeared in the Nevada Lawyer.

[Official Launch of the Nevada Bar Exam Study – Participants Needed – State Bar of Nevada \(nvbar.org\)](https://www.nvbar.org)

The Court and the Board of Bar Examiners instituted this study to gather data on bar exam results and factors that many agree constitute basic lawyer competence. We continue to study the bar licensing process in Nevada and are looking for data to inform our decisions. If enough lawyers who have practiced from 1-6 years participate in the survey, we will generate sufficient data to study the relationship between performance on the bar exam and, in particular, on the MBE, and the characteristics most agree constitute competence to practice law.

We know how busy you are, but we urge you to complete the survey. For taking the time to complete the survey, you will earn 3 CLE credits. The Court and the bar thank you for your continued support of our profession.

Sincerely,

James W. Hardesty
Chief Justice
