

State Bar of Nevada **Honors** its Members Who Have Served in the **U.S. Armed Forces**

WWII Veteran Donald Ross (who contributed many of the vintage photos for this feature), with his squadron in England.

Nevada Lawyer offers its sincere thanks to those State Bar of Nevada members who have served and/or continue to serve in the U.S. Armed Forces.

Over the past months, utilizing both the magazine and the bar's E-newsletter, we put out a call for the names of those individuals. Those who responded have been included in the list below.

Many of our members have served in more than one branch of the service or in the reserves; however, due to space constraints, we have included each name only once. To those of you who served but did not send in your names, we also extend our appreciation for your service to our nation.

Thanks to our bar members pictured for submitting photos for this special feature.
