I chose the topic of mental health because, regardless of the area of law you practice, stress within our jobs is not given enough attention, nor does it receive the respect that it deserves. Given the events in Summerlin on April 8, mental health is more important than ever. The May 2024 edition of *Nevada Lawyer* offers resources to help lawyers who may be dealing with the obstacles of simply being a lawyer. Both individual and team growth create stress and setbacks that are inevitable. It is important to be self-aware.
