BOARD REPORT

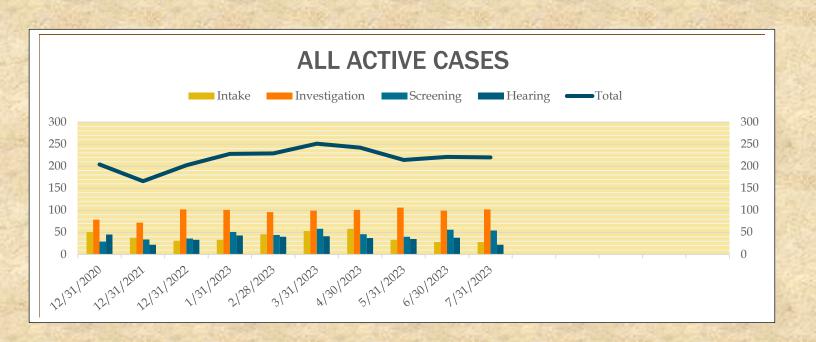

August 2023

CORRECT DODA

OFFICE OF BAR COUNSEL

Daniel Hooge BAR COUNSEL

DISCIPLINE STATISTICS

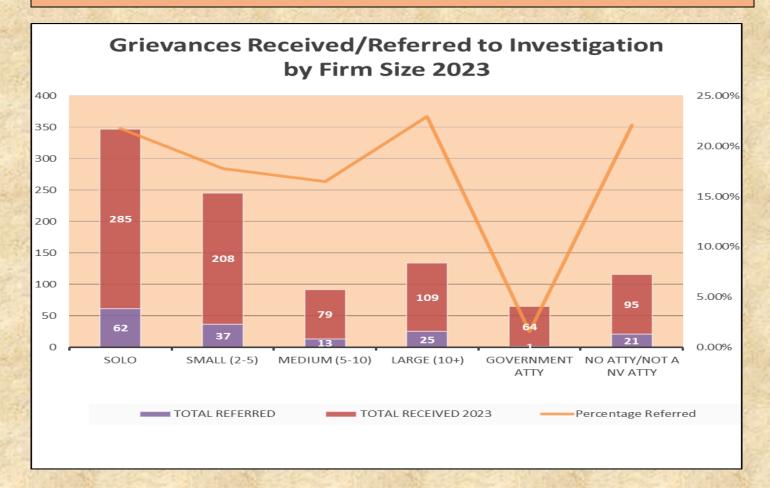

- The OBC aims to keep active cases under 250. This allows for about half (125) in investigations and half (125) split between intake, screening, and hearing.
- The OBC works efficiently with active cases below 250. We are within that range.
- Active cases trended upward in 2022 as we came out of the pandemic. Active cases in 2023 continued to rise in the first quarter, but dropped in the second quarter, and remained at a healthy level during the third quarter.

May		152	177	33	1		
June	2	108	113	28	0		
July		121	121	28	0		

GOAL – Review grievances within 90 days and have no more than 100 pending at any time.

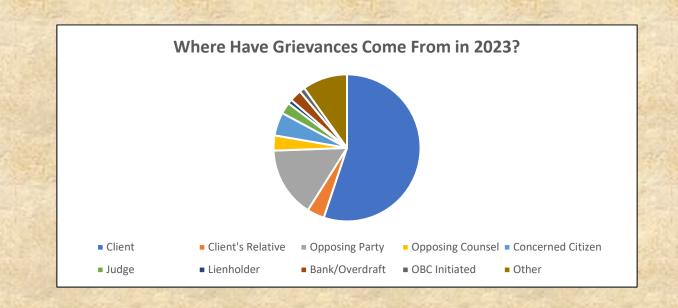

- Intake staff continues to process files efficiently to keep pending grievances well below 100.
- New grievances jumped significantly in March and May causing pending grievances to rise. But pending grievances in intake remained at healthy levels throughout 2023.

GRIEVANCE DEMOGRAPHICS

- After the OBC received board feedback from its June 2023 report, the OBC created a new "firm" category for government attorneys and re-categorized all relevant files for 2023.
- Of the 840 grievances the OBC has processed through July 31, 2023, 59% named solo and small firms, with the remainder split between medium to large firms, government attorneys, or grievances that do not name a Nevada licensed attorney.¹
- As reflected in the chart above, approximately the same percentage of grievances naming solo firms are referred to investigation as those naming large firms.

¹ The State Bar does not collect information on firm size from its members. The OBC is collecting this data using information available from the Internet and Membership Services, so there is a margin of error.

- Of the grievances received through July 31, 2023, clients continue to submit the most at 55% with opposing parties second at 15.5%. The OBC self-initiated just over 1%.
- 85% of grievances received relate to the Southern District, with 15% to the Northern District.
- The most common issue raised in grievances referred to investigation across all firm categories is diligence.
- The second most prevalent issue raised in grievances referred to investigation against solo/small firms is communication, while against large firms it is failure to supervise nonlawyer staff.

INVESTIGATION							
	New Invest.	Invest. Completed	Invest. Pending	Over 6 Months			
End of 2021			72	2			
2022	250	220	102	5			
January	25	26	101	5

May	37	32	106	6			
June	20	27	99	6			
July	22	19	102	4			

GOAL – Investigate grievances within 6 months and keep active investigations under 125.

- Six-month investigations keep an efficient balance in the active caseload.
- Pending investigations continue to remain below 125.
- Investigators have worked to reduce the number of prolonged investigations. We currently have 4 investigations aged over 6 months. This is a significant improvement over the peak of 9 in March. 90% of pending investigations are younger than 6 months.
- These prolonged investigations are complex cases. Complex cases address grievances of misappropriation, fraud, or criminal conduct, which can require more time. OBC investigators will continue to prioritize and complete these investigations.

HEARINGS							
	New Filings	Hearings Resolved	Hearings Pending	Over 8 Months			
End of 2021			14 (21 files)	1			
End of 2022			26 (33 files)	1

May	1	3	24 (35 files)	3			
June	4	6	22 (38 files)	3			
July	3	3	22 (36 files)	2			

GOAL – Prosecute 80 % of disciplinary hearings within 8 months

- After a screening panel approves a formal hearing, Bar Counsel files a complaint and the case moves into the prosecution/pending hearing stage.
- The OBC presses for a hearing within 8 months whenever possible. It has 2 cases pending over 8 months.
- Approximately half of respondents are now requesting in-person hearings but will often agree to convert back to a remote hearing if the parties reach a guilty plea agreement.

OTHER OBC ACTIVITIES

- The OBC monitors 47 attorneys: 13 in diversion, 23 on probation, and 11 conditional admittees.
- OBC educates the bar. During July, OBC attorneys presented CLEs for the Clark County Bar Association on marketing and civility.
- Since March 1, 2023, the OBC has answered approximately 350 ethics calls. Approximately 70% are received from solo or small law firms. Callers ask questions on a variety of issues, but the most popular questions relate to declining or terminating representation, conflicts of interest, safekeeping property, and the unauthorized practice of law.
